How To Link Your Canvas Course with a Vital Source Bookshelf textbook

1. Navigate to the Modules area of your Canvas course site and click the individual + icon to the right of the desired module.

2. In the pop-up window that appears, select External Tool from the drop-down menu.

4. In the URL field, after the word “books” and / and the ISBN# of your textbook. For example, in the images below, we have changed the “.../books” portion of the URL to “…/books/9781955499033”

5. Check the Load in a new tab checkbox.
6. Click add item.
7. Your Canvas site is now paired with your Bookshelf by VitalSource textbook.
